

STUDENT TECHNOLOGY RESOURCES

QUICK LINKS it.wvu.edu/students

FREE AND DISCOUNTED SOFTWARE

Before you pay retail for anything, see what deals you can get with your student discount. Microsoft Office and MATLAB are free for all students.

slic.wvu.edu

FREE ANTI-VIRUS

Install it on your personal device.

freeav.wvu.edu

PRINTING

Students can email or upload documents and print from anywhere with MyPrinting.

myprinting.wvu.edu

HOW TO RESET PASSWORD

You can claim or reset your password at

login.wvu.edu.

WI-FI

Students **MUST** connect personal devices to the secure **WVU.Encrypted network** for wireless access.

To use gaming consoles, TVs and other kinds of entertainment devices, you must first register them on the **WVU.Play network**.

Log in to mydevices.wvu.edu with your WVU credentials, then enter the MAC address of the device.

PROVE IT'S YOU

Two-factor authentication is required to access secure systems. Once you've registered for classes for the first time, you must activate your account. Click the My Login button at login.wvu.edu. Be ready to download the free Duo Mobile app during this process.

It's mandatory for all students starting Aug. 31, 2018.
